Award of the Purple Heart I

I. General Orders No. 3, War Department, February 22, 1932, announces that, by order of the President of the United States, the Purple Heart, established by General *George Washington* at Newburgh, August 7, 1782, during the War of the Revolution, has been revived out of respect to his memory and military achievements.

1. Under the provisions of War Department Circular No. 6, February 22, 1932, awards of the Purple Heart for acts or service performed prior to February 22, 1932, will be confined to the following persons:

(a) To those who, as members of the Army of the United States, have been awarded the Meritorious Service Citation Certificate by the Commander-in-Chief of the American Expeditionary Forces in the World War and who make application to exchange the certificate for the Purple Heart and oak-leaf clusters pertaining thereto.

(b) To those who are authorized to wear wound chevrons as prescribed in Army Regulations 600-95, and who make application for the Purple Heart and oak-leaf clusters pertaining to it.

(c) To those persons not authorized, prior to February 22, 1932, to wear the wound chevron, who would otherwise have been authorized to wear the same under the provisions of paragraph 3c and d, Army Regulations 600-95 which provides for the award of wound chevrons on account of wounds received prior to the World War.

2. No more than one Purple Heart will be issued to any one person; but for each succeeding deed, act, or achievement sufficient to justify the award of a Purple Heart, a bronze oak-leaf cluster will be awarded in lieu thereof, which will be worn on the appropriate service ribbon. A separate ribbon will be worn for each cluster awarded; i. e., *three clusters will call for four ribbons, first the basic ribbon, then additional ribbons bearing one cluster for the first additional citation, two for the second, and three for the third.* A wound, which necessitates treatment by a medical officer, and which is received in action with an enemy, may be construed as resulting from a singularly meritorious act of essential service; therefore, each additional wound chevron authorized will entitle the wearer to a bronze oak-leaf cluster.

3. It will be noted that the Purple Heart is not authorized in lieu of the silver citation star awarded for gallantry in action. Silver citation stars will continue to be worn above all battle clasps on the ribbon of the service medal for the campaigns for service in which the citations were awarded. The citation star will also be worn on the corresponding service ribbon, *a separate ribbon being worn for each silver star awarded; i. e., three stars will call for four ribbons; first the basic ribbon, then additional ribbons bearing one star for the first additional citation, two for the second and three for the third.* The bronze stars, worn on the service ribbon to indicate possession of the battle clasps referred to in Army Regulations 600-35, *will be worn on the basic service ribbon only and not on the ribbon with which citation stars are worn.*

(G. O. 5)

4. Officers and enlisted men of the Pennsylvania National Guard, including the National Guard Reserve and officers on the Retired List, who are entitled to the award of the Purple Heart under the provisions of paragraph 1a and b, supra, will make application for the same by letter to The Adjutant General, War Department, Washington, D. C., and will forward the letter through military channels to The Adjutant General of Pennsylvania, Harrisburg, Pa., for check against records in this office and approval.

By order of the Governor,

DAVID J. DAVIS,
The Adjutant General.

The field training period (Federal pay status) will be limited to 15 days where the travel to and from camp can be completed within the limits of the first and last days of the camp; organizations requiring in excess of 17 hours one way travel will be allowed 16 days, and those requiring in excess of 24 hours the maximum of 17 days.

The field training of organizations moving to and from camp by marching will be limited to 15 days, including the time consumed on the road.

The attendance of personnel at camp, or during periods other than specified in orders for their organizations or units is unauthorized, and will result in suspension of vouchers covering payments made therefor.

Commanding Officers of all organizations and units will familiarize themselves with the provisions of Militia Bureau Circulars No. 25-A-21, series 1930, and Nos. 2-A-2 and 23-A-17, series 1931.

II. CAMP SUPPLY DETACHMENTS.—(a) The composition, strength and length of tour of Camp Supply Detachments at exclusively National Guard field training camps will not exceed the following:

- (1) For camps of at least one regiment, but less than a brigade.—One officer and two enlisted men for three days prior to the opening of the camp, and the two days following the close thereof.

- (2) For camps of a brigade or larger.—Two officers and five enlisted men for six days prior to the opening of the camp, and four days following the close thereof.
- (3) Camp Supply Detachments may be increased by the number of enlisted men necessary as truck drivers to service the authorized trucks as specified for camp purposes in paragraph 7, Circular No. 2, Militia Bureau, dated January 5, 1928.

(b) In camps of more than one 15-day period, the same supply personnel may be employed throughout the several periods, except that commissioned and enlisted personnel of the State Staff and State Detachment may be distributed, as far as practicable, over the several periods as assistants to the Camp Supply Officer to reduce the size of the permanent detachment.

(c) The personnel of the camp supply detachment will be paid on detachment pay rolls for the entire period of this service, payment being made at the end of each month if deemed necessary. Such rolls will be briefed to show the camp to which the detachment pertains, and the organization to which each individual belongs will be clearly indicated in the body of the roll. The names of the personnel assigned to the camp supply detachment from the various organizations will be shown in the proper place on the rolls of the organization to which they belong with the notations "Paid on Pay Roll of Camp Supply Detachment," appearing in column of remarks opposite their names.

(d) Supply personnel required to attend camp for a longer period than that embraced in the regular field training period of 15 days, and the additional time allowed for advance and rear detachments, must have prior authorization of the Militia Bureau for such attendance. Such personnel must be organized and carried as members of the Camp Supply Detachment for the full period of their attendance at camp.

III. ADVANCE AND REAR DETACHMENTS.—(a) Advance Detachments of the strength and composition prescribed below will be authorized for a period of not to exceed three (3) days preceding the encampment:

	<i>Officers</i>	<i>Enlisted Men</i>
(1) For a Division Headquarters,	1 Capt. or Lieut.	3
(2) For a Brigade Headquarters and Headquarters Company, Troop or Battery, ...	1 Capt. or Lieut.	3
(3) For a Regimental Headquarters and unlettered Companies,	1 Capt. or Lieut.	3 per company
(4) For a Battalion,	1 Capt. or Lieut.	3 per company
(5) For Medical Detachments, Regiment or Separate Battalion	1 Capt. or Lieut.	3
(6) For an Air Squadron,	1 Capt. or Lieut.	6
(7) For Division Special Troops, Division Trains and other organizations equal to a battalion, the battalion allowance is authorized.		
(8) When less than a battalion trains at a separate camp, one officer (Captain or Lieutenant), is authorized in addition to the enlisted men of the companies.		

(b) Rear Detachments of the same strength and composition as prescribed in (a) above for Advance Detachments may be authorized for a period of one day when need for such Detachment is apparent. In cases where rain during the last days of any encampment makes it necessary to dry the tentage before striking and packing, an additional day may be authorized. Where this emergency arises, a telegraphic request will be made to the Militia Bureau for the additional day.

(c) Advance and Rear Detachments are not authorized for Headquarters (other than Division), State Staff or State Detachments.

(d) Advance and Rear Detachments must be organized and accounted for as

such for the full period of the absence of the personnel thereof from the organizations to which they regularly belong.

(e) Where a service company, troop or battery is included among the organizations to attend a field training camp, the personnel for the Advance and Rear Detachments should preferably be taken from such units, except that from the Medical Department.

(f) Medical Detachment Advance Details will be equipped to care for the emergency cases of injury or sickness which may occur in the Advance and Rear Detachments.

(g) A detachment pay roll will be prepared covering the Advance Detachment of each regiment or similar organization for the period authorized. A similar detachment roll will be prepared for the Rear Detachment. Such rolls will be briefed to show the regiment or similar organizations to which the detachment pertains, whether Advance or Rear Detachments, and the organization to which each individual belongs will be carefully indicated in the body of the roll. The personnel of these detachments will be paid for the period of the encampment proper on the regular pay rolls of their organizations.

IV. STRENGTH REQUIREMENTS AND PAY ALLOWANCES FOR FIELD TRAINING.—(a) Particular attention is invited to the requirements of Paragraph 37, N. G. R. 45, which will govern. Any units not conforming to these requirements will not attend camp, except in cases where authority has been granted by the corps area commander. Pay and allowances, as provided for in Section III, N. G. R. 58, is authorized, and will be paid by the U. S. Property and Disbursing Officer for the encampment periods as scheduled in Section I above.

(b) All officers are entitled to rental allowance and will furnish a certificate in duplicate that neither they nor their dependents were occupying public quarters during the period for which pay is claimed. Blank forms will be furnished by the U. S. Property and Disbursing Officer at the encampments to be submitted with the Federal pay roll. (Dependents includes a wife, minor children, or a mother.)

(c) In view of the fact that it is necessary to present all claims for additional rental and subsistence allowances on account of dependent mothers to the Comptroller General of the United States for decision, payment of these claims will not be made on the Federal pay roll. Subsequent settlement of same will be made by the U. S. Property and Disbursing Officer after they have been approved.

(d) During the fifteen-day training period Strength Returns will be rendered daily by commanding officers of the division, brigades, regiments and similar organizations on A. G. O. Form No. 73, which will be supplied by the Commanding General, 28th Division. A copy of these reports will be promptly forwarded direct to the Adjutant General.

V. REPORT OF ABSENTEES.—The commanding officer of each company, troop, battery, or detachment, will determine, prior to leaving home station for camp, the cause of absence of any member or members of his command, and immediately after arrival in camp will submit to the regimental or separate battalion commander, for transmission to the Commanding General, 28th Division, a detailed list of absentees, showing the cause of absence in each case.

VI. VACCINATIONS.—(a) Attention is invited to Paragraph 16, N. G. R. 25, which requires the complete immunization of personnel of the National Guard upon entry into Federal service against typhoid, paratyphoid and smallpox.

(b) Reference is made to Third Corps Area letter dated June 3, 1931, stating the two weeks provided for annual field training should be devoted to such training, and the prescribed inoculations and vaccinations should be completed before leaving home station for field training or for active field service.

(c) In all cases where there is a question of immunity, every effort will be made to *complete* the vaccinations of all officers and enlisted men against typhoid,

paratyphoid and smallpox *before* leaving home stations for the 1932 field training camps.

(d) Requisitions for the necessary supplies should be forwarded direct to the U. S. Property and Disbursing Officer. A period of at least two weeks is required for delivery.

VII. DESIGNATION OF CAMP COMMANDER.—Major General *William G. Price, Jr.*, will be responsible for the proper discipline and training of all organizations of the Pennsylvania National Guard at the several camps and will issue such orders as may be necessary to carry these orders into effect. He is designated Camp Commander, at Mount Gretna, from July 9th to August 6th, 1932, and will make all necessary arrangements for program of instruction and issue all orders pertaining to the discipline and training of the various organizations during their field training periods. He will be responsible for the operation of the camp post exchange under AR 210-65, "Exchanges," insofar as those regulations are applicable.

VIII. REQUISITIONS FOR CLOTHING AND EQUIPMENT.—(a) It is important that all requisitions for clothing and equipment necessary to properly clothe the men and equip the organization for field training be submitted on Q. M. C., Form No. 47, in duplicate, to the U. S. Property and Disbursing Officer, State Arsenal, Harrisburg, at least thirty (30) days prior to the beginning of the encampment periods, in order that delivery may be definitely assured.

(b) When requisitions are made for property to replace articles which have become unserviceable through fair wear and tear in the public service, the unserviceable property must be shipped to the State Arsenal by freight on Government Bill of Lading, to be furnished by the U. S. Property and Disbursing Officer. Commanding Officers, when requesting bills of lading, will state the number of boxes, bundles, crates or packages, and furnish a list showing the contents and weight of each item.

(c) Shipping ticket prepared on Q. M. C. form No. 62, in triplicate, to cover unserviceable property returned, will have a signed certificate placed thereon, stating the length of time the property was in use, and that it was worn out through fair wear and tear in the military service. Requisition, prepared on Q. M. C. Form No. 47, in duplicate, must accompany such shipping ticket if replacement is desired.

(d) Shipping ticket prepared on Q. M. C. Form No. 62, in quadruplicate, with an expenditure certificate thereon to cover medicines and surgical dressings consumed during the year, must accompany the requisitions, in duplicate, for medicines and surgical dressings for replenishing medical and surgical chests. Surgical instruments and appliances which have been lost or become unserviceable will be made the subject of a report of survey as no replenishment can be authorized other than by survey. This provision also applies to veterinary supplies, instruments and appliances.

(e) Surplus property in possession of an organization will be returned to the State Arsenal, Harrisburg, prior to the encampment. No surplus or unserviceable property will be taken to the encampments for exchange.

(f) Emergency requisitions for individual equipment only, approved by the Commanding Officer of a regiment or similar organization, will be accepted during an encampment period.

(g) No property audits will be made by the U. S. Property and Disbursing Officer during the months of July and August.

IX. PREPARATION OF CAMP SITE, at Mount Gretna.—Lieutenant Colonel *William L. Hicks*, Q. M. C., Superintendent, State Military Reservation, will prepare the Military Reservation for the encampments, and will make all necessary arrangements for the supply of motor and wagon transportation during the tour of field duty to the Motor Transport Officer in charge of the Motor Park.

X. DESIGNATION OF MOTOR TRANSPORT OFFICER, at Mount Gretna.—Major *George P. Drake*, Q. M. C., Commanding 28th Division Train, is designated as Motor Transport Officer, at Mount Gretna, and will be in charge of the Motor Park and all motor and wagon transportation from July 9th to August 6th, 1932.

XI. CAMP SUPPLIES.—(a) Colonel *Leo A. Luttringer*, Q. M. C., U. S. Property and Disbursing Officer, will arrange all contracts for the furnishing of necessary subsistence, forage, ice, wood, motor oil, gasoline, grease and other supplies, as authorized by Paragraphs 15 and 16, Circular No. 25-A-21, Militia Bureau, dated August 30, 1930.

(b) All supplies contracted for or purchased by the U. S. Property and Disbursing Officer will be delivered to the officer in charge of the Camp Supply Detachment, who will be responsible for the proper storage, care and preservation, and the issue of same to organizations as authorized by orders to be issued by the Commanding General, 28th Division. This officer will account for all receipts, issues, and balances on hand, at all times, and will notify the U. S. Property and Disbursing Officer sufficiently in advance when additional supplies are required for future issues.

XII. TRANSPORTATION.—(a) The U. S. Property and Disbursing Officer will make necessary arrangements for transportation by rail of all troops to the designated places of encampment and return to home station, and will furnish each commanding officer with a train schedule governing the movement of his command. U. S. Government Transportation Requests will be used. The travel directed is necessary in the military service.

(b) U. S. Government Bills of Lading to cover all shipments of animals, equipment and material to encampment and return to home station, will be furnished organization commanders by the U. S. Property and Disbursing Officer. Request therefor need not be made. Commercial or State Bills of Lading will not be used in connection with any movements of troops to or from the encampments.

(c) Complete instructions as to methods of using U. S. Government Transportation Requests and Bills of Lading will be furnished by the U. S. Property and Disbursing Officer when these forms are issued. Strict adherence to these instructions, without any deviation in any manner or for any reason, is absolutely necessary.

(d) The Chief of Finance, Transportation Branch, the Militia Bureau and the U. S. Property and Disbursing Officer have been caused considerable embarrassment and much unnecessary correspondence resulting from the failure of designated transportation officers to properly accomplish Transportation Requests and Bills of Lading, thereby greatly delaying the settlement of claims of common carriers furnishing transportation services. The attention of all concerned is invited to N. G. R. Nos. 70, 71 and 72, and especially to Paragraph 5, N. G. R. No. 70, and to Paragraphs 40, 41, and 65 to 77, inclusive, N. G. R. No. 71.

(e) Travel by privately owned conveyance is authorized by Paragraph 74, N. G. R. 45, at an allowance of 3 cents per mile for the distance over the shortest usually traveled route. Prior authority in each instance must be secured from The Adjutant General, who will issue necessary travel orders. Requests to travel by privately owned conveyance must be forwarded through channels. Commanding Officers of organizations and units will not approve requests in excess of the number authorized by regulations.

XIII. COMMUTATION OF RATIONS EN ROUTE TO CAMPS.—It being impracticable to furnish rations in kind for the journeys to the several camps, an allowance, as provided by Paragraph 15-a, Circular No. 25-A-21, Militia Bureau, dated August 30, 1930, of \$1.20 per day, or appropriate fractional part thereof, for cooked meals for each enlisted man, while traveling to the several camps, is au-

thorized when such travel is performed and extends over regular meal hours. No allowance will accrue when the travel is performed between regular meal hours. Attention is invited to Paragraph 15-a, Circular No. 25-A-21, Militia Bureau, dated August 30, 1930, showing examples for computing travel ration allowance.

As rations in kind are issued for use up to and including the last day of the encampment periods no necessity exists for the purchase of travel rations for the return journey.

Unit commanders will submit receipted bills, in duplicate, for the amounts expended under this authority, together with a certificate, in duplicate, showing the number of men making the journey, hour of leaving home station, hour of arrival at camp, and number of meals purchased, to the U. S. Property and Disbursing Officer, who will make a refund of the amount actually expended, but in no instance to exceed forty (.40) cents per meal. Claims must be made within ten days after arrival in camp.

Unit commanders making such purchases will place a signed statement on the certificate, in cases where the total amount of purchases is less than \$100.00, to the effect that there was no personal profit in the transaction, and in cases where such purchases exceed \$100.00, an affidavit to the same effect will be furnished. The statement or affidavit will state, in part, that the purchases were necessary for the reason that rations in kind were not available for use during the travel period.

A copy of the certificate referred to, showing the number of meals purchased and for which refund is to be claimed will be furnished by the unit commander to the regimental adjutant, who will divide the number of meals, purchased en route during the first day of the camp period by three, and the result, representing the number of rations, will be deducted from the ration return, and the supply officer will reduce the rations issued in kind accordingly.

XIV. Rations in kind will be furnished for the periods scheduled for the encampments by the U. S. Property and Disbursing Officer, and will be issued for five day periods, with the exception of perishable articles which will be issued daily. All issues will be based on allowances authorized in orders to be published by the Commanding General, 28th Division.

Preliminary ration returns on P. & S. Form No. 223, (to be furnished by the U. S. Property and Disbursing Officer), for the first five day period for regiments or similar organizations, including rations for advance detachments, properly signed by the adjutant, and approved by the Commanding Officer, will be presented by the commanding officer of the advance detachment, so that rations may be regularly issued for use by advance detachments and be available upon the arrival of the organization at the encampment.

The greatest care will be exercised in the preparation of these preliminary returns so that over-issues may be reduced to a minimum. These returns will be based on the estimated number of men to be transported, as shown by the Troop Movement Schedule, taking into consideration the arrival time of the units of an organization at the field training camps, to which will be added rations for advance details.

Subsistence for the first day of the encampment will be issued, based on hour of arrival, as follows:

- (a) For units arriving at camp before 7:00 A. M.,3 meals.
- (b) For units arriving at camp before 11:00 A. M.,2 meals.
- (c) For units arriving at camp before 4:00 P. M.,1 meal.

All ration returns for organizations of the 28th Division must be approved for issue by the Division Quartermaster, or his representative, who will be regularly on duty at the Subsistence Warehouse.

XV. PREPARATION OF PAY ROLLS.—(a) Federal pay rolls will be prepared in triplicate on M. B. Forms, in accordance with instructions appearing thereon, and in accordance with any further necessary instructions to be furnished with such forms by the U. S. Property and Disbursing Officer at the Field Training Camps.

(b) State pay rolls will be prepared in quadruplicate on A. G. O. Pa. Forms Nos. 378 and 378a, in accordance with instructions to be furnished with such forms by The Adjutant General at the Field Training Camps.

(c) Organization and unit commanders will arrange for the appointment of noncommissioned officers, in all cases where possible, prior to encampment periods, thereby reducing the change of status of enlisted men during such periods to a minimum, which will eliminate the necessity for remarks on pay rolls, and assure more rapid computation of the amounts due and payment thereof.

(d) Leaves of absence to officers or furloughs to enlisted men will not be granted during field training periods except under the most extenuating circumstances.

(e) Enlistment record for each enlisted man whose name appears on the pay roll of a unit must be on file in the Adjutant General's Office, otherwise payment of both Federal and State pay will be withheld until all papers are received.

XVI. ACCIDENTS.—(a) All accidents resulting in personal injuries of any material nature will be promptly reported through channels to the Adjutant General or Form W-1-A Employer's Report of Accident to Employee, to be prepared in triplicate. This report must be forwarded through channels so as to reach the Adjutant General not later than the tenth day of disability. Compensation will be allowed under the provisions of the Workmen's Compensation Act of the Commonwealth of Pennsylvania to officers or enlisted men injured in line of duty. Compensation will only be paid in cases not provided for under Section XVII of this order, and only for time lost from regular employment subsequent to encampment or discharge from hospital.

(b) Attention is especially invited to that portion of the Workmen's Compensation Act referring to hernia cases as follows:

"Hernia shall be considered as a physical weakness or ailment, which ordinarily develops gradually, and shall not be compensable, unless conclusive proof is offered that the hernia was immediately precipitated by such sudden effort or severe strain that: first, the descent of the hernia immediately followed the cause: second, there was actual pain in the hernial region; third, the above manifestations were of such severity that the same was immediately noticed by the claimant and communicated to the employer, or a representative of the employer, within forty-eight hours after the occurrence of the accident."

XVII. HOSPITALIZATION.—(a) The Adjutant General and U. S. Property and Disbursing Officer for the past several years have experienced considerable difficulty in the settlement of cases of sickness and injury by reason of the failure of Commanding Officers to properly comply with the provisions of N. G. R. No. 62. A careful study of this regulation will be made by all concerned.

(b) Only such cases as require medical or surgical treatment of a nature that cannot be administered or performed at the encampment will be sent to civilian hospitals for treatment. This action will be taken only on the recommendation of the Division Surgeon, or, in the absence of the Division Surgeon, on the recommendation of the Senior Medical Corps Officer at the regiment or similar organization. In cases of extreme emergency, Mount Gretna cases will be sent

to either the Good Samaritan Hospital or the Lebanon Sanatorium, at Lebanon, and in cases less urgent they may be sent to the Lancaster General Hospital, at Lancaster, or Polyclinic Hospital, at Harrisburg. Tobyhanna cases will be sent to hospitals at either Scranton or Wilkes-Barre. Expenses of hospitalization will be settled by the U. S. Property and Disbursing Officer in accordance with the provisions of National Guard Regulations No. 62, dated July 1, 1928.

(c) The commanding officer of each regiment or similar organization will appoint a board of not to exceed three officers, at least one of whom will be a Medical Corps Officer, as required by Paragraphs 4 and 5, National Guard Regulations No. 62, whose duty it shall be to render a report, in triplicate, through channels, on M. B. Form No. 60, Report of Board in Case of Sickness or Injury, in all cases of disease or injury likely to require hospitalization while at camp or further treatment after arrival at home station. These reports in all injury cases must be accompanied by Form W-1-A, Employer's Report of Accident to Employee, to be prepared and signed in triplicate by the unit commander, in order to protect the rights of the injured soldier for State compensation under the provisions of the Workmen's Compensation Act.

(d) In cases where the hospitalization of sick or injured soldiers extends beyond the field training period, the commanding officer of the unit of which the soldier is a member, immediately after his discharge from the hospital, will promptly communicate with the U. S. Property and Disbursing Officer concerning pay due for the period subsequent to the Field Training Camp up to and including date of discharge from hospital.

(e) In cases where sick or injured soldiers require further medical treatment or hospitalization within thirty days after return to home station prior authority must be secured from the Militia Bureau through The Adjutant General.

XVIII. ANNUAL PHYSICAL EXAMINATION OF OFFICERS.—(a) The Commanding General, 28th Division, will arrange for the completion of the annual physical examinations of all officers required by Paragraph 4, N. G. R. 27.

(b) These examinations will be completed at such times as will not interfere with the training program. All officers who have been examined subsequent to December 31, 1931, for either original or promotion appointments, need not be examined. Necessary blank forms (M. B. No. 63) will be furnished by the Commanding General, 28th Division. Original copy only is required.

(c) The greatest care will be exercised to properly complete these examinations in accordance with the provisions of N. G. R. 28. All blank spaces must be filled out as intended, so as to avoid the necessity of returning for completion.

(d) During the year 1931 approximately 15 per cent. of these examinations were returned for correction or proper completion, thereby causing considerable delay and unnecessary correspondence. Failure in the future to properly complete these examinations will be reported to the Commanding General, 28th Division, to be entered against the efficiency rating of the Medical Corps officers concerned.

(e) All examinations will be passed upon as to their completeness, according to existing regulations, by the Division Surgeon before forwarding to The Adjutant General.

XIX. ANIMALS.—(a) The maximum allowances of animals (mounts and draft), as authorized by Paragraph 19, Circular No. 25-A-21, Militia Bureau, dated August 30, 1930, as supplemented by Circular No. 23-A-17, Militia Bureau, dated October 16, 1931, will not be exceeded.

(b) No animal maintained at Federal expense will be exempted from service at the encampment of the organization to which assigned, except when physically unfit or for other reasons specifically approved by the Militia Bureau.

(c) No contracts will be entered into by individual officers for private

mounts for their use at field training camps. Arrangements will be made by The Adjutant General for the furnishing of suitable mounts to all mounted officers.

(d) In accordance with paragraphs 18-d and 19-j, Circular No. 25-A-21, Militia Bureau, dated August 30, 1930, arrangements will be made for shipments of animals to the several encampments by The Adjutant General.

(e) U. S. Government Bills of Lading to cover all shipments will be furnished in ample time by the U. S. Property and Disbursing Officer.

(f) The number of caretakes to accompany horses to camps of organizations other than those to which they belong will be limited to one per organization, who upon arrival will report to the Camp Commander.

XX. MALLEINING OF ANIMALS.—(a) The malleining of all Federally owned and accepted animals will be completed within 21 days prior to their shipment from home stations to field training camps. The administration of this test is the duty of and will be made by Veterinary Corps officers assigned to the various regiments. When no Veterinary Corps officer is available for this duty an allowance of fifty cents per animal will be authorized.

(b) In the case of hired animals, the owner or contractor will furnish the certificate showing the malleining test has been properly completed within 21 days prior to the delivery.

(c) In each case where the test has been given, a certificate, prepared by the Veterinarian, will accompany all animals taken to an encampment.

(d) Mallein for testing all National Guard animals, together with certificates for use by veterinarians, will be furnished by the U. S. Property and Disbursing Officer upon requisition.

(e) Any bills incurred for malleining of public animals must be forwarded direct to the U. S. Property and Disbursing Officer for settlement immediately after service is performed.

XXI. RELATIVE RANK RECORD.—(a) In order that the Militia Bureau may have information available for the purpose of determining the relative rank of officers, a notation will be made, opposite each officer's name, in the remarks column of Form M. B. No. 100, Report of National Guard Duty Performed, e. g., "In Camp under Federal pay from to". These notations will be made on the first report rendered subsequent to the encampment period.

(b) During the years 1926 to 1931, inclusive, an average of 15 per cent. of the units failed to enter this information on the reports, which necessitated the compiling and furnishing of this data to the Militia Bureau from other records on file in this office. Failure in the future to properly furnish this information will be reported to the Commanding General, 28th Division, to be entered against the efficiency ratings of the unit commanders concerned.

XXII. FIELD TRAINING OF ASSIGNED RESERVISTS OF NATIONAL GUARD.—(a) As Federal appropriations for expenses at Camps of Instruction are based on the estimated attendance of the active National Guard, the attendance of assigned commissioned and enlisted National Guard Reservists at field training camps will be authorized by the Militia Bureau only as *replacements* of active personnel who are unable to attend. Vacancies existing in an organization will not be filled by the assignment of assigned National Guard Reservists for the purpose of attending field training.

(b) Special authority for such attendance must be obtained from the Militia Bureau in each case.

(c) Requests for such authority must state specifically:

(1) Name, with rank or grade, and assignment of National Guard Reservists whose attendance is desired, with specific duties to be performed.

(2) Name, with rank or grade, and assignment of active National Guardsmen to be replaced, with reason for non-attendance.

(d) In no case will the attendance of Assigned Reservists be permitted to increase the authorized active strength of any unit.

XXIII. TENTAGE.—Transportation officers will carefully check the loading of all equipment and pay particular attention to the item of tentage. Any tentage delivered to the transportation officer for shipment to home station of unit will not be accepted, unless it can be definitely shown that it was brought to the encampment by the organization. Any violations of the foregoing will be immediately reported to the U. S. Property and Disbursing Officer.

XXIV. AWARD OF REILLY LONG-SERVICE MEDAL.—In accordance with the provisions of Section 5 of the will of General *William Moffatt Reilly*, of the City of Philadelphia, Pa., who died on February 29, 1896, a gold medal will be presented during the field training camp to the Private or Commissioned or Non-commissioned officer of the Pennsylvania National Guard who shall have served faithfully therein for the longest continued period at the time of presentation. Claimants for this medal will forward their applications to the Adjutant General, setting forth in detail their continuous service and showing in what organizations they served. The claims will be verified from the records filed in this office and such records will be considered final authority as to dates and length of service.

By order of the Governor:

DAVID J. DAVIS,
The Adjutant General.

HEADQUARTERS PENNSYLVANIA NATIONAL GUARD, THE ADJUTANT GENERAL'S OFFICE.

Accounting for Funds, General	I
Annual Appropriations	II
Necessary Military Expenses of Headquarters	III
Other Funds	IV
Indebtedness of Organizations and Individuals	V

SECTION I. ACCOUNTING FOR FUNDS, GENERAL.

1. Accounting for funds by organizations of the Pennsylvania National Guard will conform to the instructions given herein and to those laid down in army regulations so far as such regulations apply. All items purchased, bills incurred, clerk hire, quartermaster services, etc., will be paid for during the current month in which contracted or within thirty days thereafter. Expenditures over and above the amounts received as annual appropriations or other funds will not be permitted. Accountable officers will keep expenditures within the receipts of the organization. Officers of the Pennsylvania National Guard are not authorized to make loans for their organizations or to make transfers between funds. Loans will not be made from these funds to individuals or other organizations.

2. Commanders of companies, troops, batteries, and detachments will receive, keep, disburse and account for all monies accruing thereto from authorized sources as indicated in this order, such monies to be accounted for in two funds pertaining to the organization. These funds will receive the general supervision of regimental and battalion commanders. Unit and other similar funds will be known as company, troop, battery, aviation, band, detachment, post exchange, chaplains, etc. funds. The official designation of funds will be, *i. e.*;

Other funds, Company A, 109th Infantry.

State funds, Company A, 109th Infantry.

3. It is the duty of organization commanders to guard against the tendency to accumulate large funds at the immediate expense of the organization. Enlisted men in the current enlistment should receive concurrent benefits commensurate with the organization fund, rather than such funds be accumulated for future members of the organization.

4. *a.* The officer in command or in charge of the organization or detachment to which a fund pertains is the custodian of such fund. The custodian of a fund will receive, safe guard, disburse and account for it, in accordance with the provisions of this order and such regulations as may be promulgated thereto.

b. When an officer who is custodian of funds is on leave of absence or otherwise temporarily separated from his command he will arrange to pay the bills of his company promptly so as to maintain its credit unimpaired.

5. *a.* State and other funds deposited in a bank will be placed in two separate accounts under their official designation and not to the credit of the officer who is their official custodian. Checks drawn against these funds will be signed, for example:

Other funds, Company A, 109th Infantry,

John Doe, Capt. 109th Inf. Commanding.

State funds, Company A, 109th Infantry,

John Doe, Capt. 109th Inf. Commanding.

b. Accounting officers are prohibited from keeping these funds in a personal account or from depositing personal funds in either the State or other funds accounts. Except where State funds are deposited with a regimental treasurer, properly bonded by the regimental organization, accounting officers will open accounts in their official capacity with a reliable trust company or bank, and no checks are to be drawn against such accounts except as designated in this order.

6. No deductions will be made on payrolls, from the pay of any officer or soldier and credited to either of these funds. Payroll deductions are authorized only on statement of charges, on sentence of court martial or approved board of survey.

7. The following records will be kept by the custodian in addition to those required for State funds by Section II of this order.

a. Council book. This book will contain an account of State and other funds and unexpendable property purchased therefrom, with the cost thereof. Columns one and two will be used for State funds, columns three and four for other funds. Entries in the council book will be made on the day the transaction takes place. Council books are the property of the organization and will be filed in Desk B one year after they have been closed. Five years after they have been closed they may be destroyed. When a new council book is opened the list of property on hand will be transferred thereto from the previous council book. A copy of a financial statement of all funds taken from the council book will be displayed annually on the company bulletin board. This is mandatory.

b. Property purchased from these funds which has been lost, damaged or destroyed through fair wear and tear will be redlined, dated and initialed by the company commander in the list of property and such disposal will be supported by appropriate certificates. Property purchased from other funds which may be sold will be similarly redlined, dated and initialed, and a reference will be entered indicating the voucher on which the proceeds were taken up. Property purchased from State funds and which may be sold, will be covered by remittance to The Adjutant General and deposited in the State Treasury.

c. On the last day of each quarter the custodian of each fund will close the account for the current quarter and certify as to the distribution of the balance on hand and the correctness of the entries.

d. Each entry in the council book will be supported by an itemized voucher, properly receipted by or for the party with whom the transaction was effected. Vouchers for State and other funds will be made out as prescribed in Sections II and IV respectively of this order. Vouchers for other funds and retained copies of vouchers for State funds become the personal property of the custodian after audit and the succeeding annual armory inspection. They will not be transferred from Desk A to Desk B.

e. Vouchers for each quarter will be folded separately and briefed with the number, date of entry and amount, and filed consecutively. Two separate series of vouchers and voucher numbers will be used, one for State funds and one for other funds. All changes and erasures in the company council book or any papers pertaining to it will be authenticated by the initials of the custodian and recorder of the company council.

f. Bank statements will be secured at the end of each quarter and reconciled with the balances as shown by both funds in the council book and the bank check books. The fact of payment of a check as shown by the bank statements will be entered on the check stubs.

8. The administration of funds will be under the direction of the company council.

a. There will be a council for each company, troop, battery and detachment fund which will consist of the three senior officers on duty with the unit to which the fund pertains, or such less number as are on actual duty. This council will meet at the call of its president (the custodian or company commander) promptly after the regular closing of accounts (Par. 7 c above) of the fund to which it pertains.

b. The duties of the council are:

- (1) To audit the fund accounts, examine into the sources from which and the methods by which the funds have accrued, and examine particularly into all disbursements.
- (2) To make such recommendations with reference to the funds as they may deem proper, including recommendations as to expenditures therefrom and as to the policies under which the funds are to operate. Their duties apply to all funds.

c. The junior member of the council will record its proceedings and the result of its audit in the proper place in the council book. The battalion or regimental commander will require the council proceedings to be kept as this order prescribes and will decide disagreements in the councils.

d. The custodian will be held strictly responsible for all expenditures not made in accordance with this order.

9. The battalion or regimental commander will inspect the funds at least once each quarter; such inspections will also be made upon change of custodian or when

deemed necessary. The officer making the inspection will indorse the fact with appropriate remarks in the council book of the funds so inspected. Battalion or regimental commanders will inquire into all matters affecting the financial status of the funds, will ascertain the propriety of the expenditures vouched for, and will take appropriate corrective measures where irregularities are found to exist. The more serious irregularities will be reported to higher headquarters with recommendation for collection from the bonding company and for trial by court martial or by civil court.

10. Organizations holding a State Charter, and which are incorporated and collect dues from their members amounting to more than twenty dollars per year may account for such dues as prescribed in their by-laws. This paragraph authorizes only the accounting for such dues to be made in a manner different from that prescribed in this order. It is also specifically provided that such accounts are subject to inspection by battalion or regimental commanders and by State inspecting officers. (See Section IV).

SECTION II. ANNUAL APPROPRIATIONS.

1. The State fund will consist of all monies received from the State Treasurer, interest on State deposits and balance of State funds received from predecessor officers. The purpose of these funds is to provide the current administrative overhead of the organization. G. O. No. 11, this office, dated May 23, 1926, is rescinded and the provisions of this order will govern in lieu thereof in accounting for these funds. Section 5 of an Act of Assembly approved May 16, 1923, governs the appropriations to companies and is published below.

Section 5. That section thirty-four of said act is hereby amended to read as follows:—

Annual Appropriations.

Section 34. Organizations of the Pennsylvania National Guard found, upon examination of the reports made by an inspecting officer duly detailed for that purpose, to be up to the standard required in strength, drill, discipline, and efficiency, shall receive in annual allowance the following money per annum, which shall be used and expended solely for military purposes, and for the use and benefit of the organization: For dismounted troops, at the rate of ten dollars (\$10) per man per year; Provided, That no organization shall receive less than a minimum sum of five hundred dollars or more than a maximum sum of seven hundred and fifty dollars per year; for mounted or motorized troops, at the rate of fifteen dollars (\$15) per man per year; Provided, That no such mounted or motorized organization shall receive less per year than a minimum sum of seven hundred and fifty dollars and more than a maximum sum of one thousand dollars per year. Such allowances shall be computed by the Adjutant General from the strength of the unit as reported on May thirty-first of each year. Newly organized units shall receive a pro rata share of the above named allowance for the portion of the fiscal year in which they are in service: Provided, That such allowance be based on the actual strength of the organization at the time of its entrance into the service; the said allowance to be paid by the Adjutant General in the usual manner to the commanding officer of the respective organization; but it shall be the duty of the Adjutant General, before paying any of the said allowance in money, to procure, by purchase or otherwise, and issue for each enlisted man not already provided therewith, such articles of dress uniform and such articles of service uniform and equipment as are required for field service, and also such mess tents, kitchen tents, and military stores required by the respective organizations, not furnished and paid for out of Federal funds, and charge the cost of same to the said annual allowance; and the balance, if any, to be paid and disbursed as hereinafter provided: Provided, however, That any regiment, battalion, squadron, or company may at its own expense provide itself with other uniforms of such style and pattern as a majority of its officers may select and the Governor as Commander-in-Chief approve, which uniform shall be the property of the organization or the individual members thereof. No portion of any allowance made by the State to any organization shall be expended in procuring such special uniforms or in repairing or caring for the same. No part of the annual allowances paid under the provisions of this act to the several organizations of the Pennsylvania National Guard shall be used in the purchase, erection, or construction of any armory, unless the title thereto be vested in the Commonwealth. The commanding officer of each organization shall, at such time as the Governor as Commander-in-Chief may direct, make a return to the Adjutant General, containing an

itemized account and statement of all disbursements of the money appropriated and paid to said organization and not previously accounted for, which account and statement shall be verified by the proper original vouchers for such disbursements; this accounting to be made under and in accordance with such regulations as may be prescribed by the Commander-in-Chief.

2. These funds are payable when this office receives a report of annual State armory inspection finding the organization in a satisfactory condition. Officers detailed to make these inspections will include in their reports information as to the manner in which the provisions of this order are complied with. The amount due each company or similar unit is advanced in two semi-annual installments after May 31st and November 30th of each year. There will be no distribution of such advance funds until the report covering the preceding six months has been audited and finally approved and after all exceptions taken thereto have been satisfactorily explained. (Paragraph 5 this Section).

3: a. A list of authorized expenditures is found on the brief of voucher (form 40 A. G. O., new Form M. A. G. O.—40). Authority for other expenditures, must be obtained through channels from The Adjutant General prior to purchase.

b. Expenditures made from annual appropriations for subsistence in camp will not be approved. Pay for enlisted men, such as cooks, advance details, etc., will not be augmented from State funds. Expenditures for recruiting expenses will be allowed only when prior authority requested through channels has been granted by The Adjutant General.

c. The expenditure of State funds for provisions and other similar necessary expenses for overnight marches while at home station may be authorized on approved request through channels to this office. Such requests will not be made unless the organization has sufficient funds on hand to meet all bills.

4. The preparation of vouchers for expenditure of State funds will receive special care as they become permanent State records. All vouchers will be completely itemized and self explanatory.

a. Disbursements for which credit is taken will be supported by itemized vouchers (Form 40) duly receipted as required by instructions printed on the form. These vouchers will be numbered serially beginning with No. 1 on June 1st of each year and the numbers will correspond with numbers on the credit side of financial report (paragraph 5 below). The number in each case will be preceded by a letter S to distinguish them from the vouchers for other funds. One original and two carbon copies will be transmitted to the office of The Adjutant General and a fourth copy will be retained by the accounting officer.

b. When an accounting officer pays an assessment of a higher headquarters on account of expenses of regimental rifle team, band or for similar purposes, each of the four copies of the voucher will have attached to it an ITEMIZED STATEMENT SHOWING ALL RECEIPTS AND EXPENDITURES under that particular assessment.

c. As a general policy vouchers will not be made for less amounts than five dollars. Payment for such small amounts will be made in cash obtaining a receipt or sales slip therefore and making them sub-vouchers to form 40. The accounting officer will make three "true" copies to be attached to the three carbon copies of form 40. A number of these sub-vouchers will then be paid on one form 40 voucher.

d. In cases where accounting officers have paid for advertisements for recruits, a copy of the advertisement as it appeared and a certificate from the publisher as to the circulation will be furnished with each voucher covering payment of such advertisement. The following law is quoted for information:

"13723.—BILL TO BE ACCOMPANIED BY ORDER AND AFFIDAVIT—It shall be unlawful for The Auditor General to issue warrants to pay for any advertisement authorized by law, unless the bills for the same be accompanied with the written or printed or partly written and printed order of the officer or officers furnishing the same for publication stating the number of lines or squares it is to occupy when inserted, and the numbers of insertions to be given to it, together with the affidavit of the editor or publisher of the paper published the same, that it has been inserted in all respects as ordered. (1874, May 6: P. L. 309, 4)."

Vouchers covering payment for such service as mentioned above will be disallowed unless the law has been complied with.

5. Periodical accounts for State funds will be rendered as indicated in this paragraph.

a. Financial reports of annual allowance will be rendered by accountable officers on Form 5, A. G. O. (new M. A. G. O.—5) for the six months periods ending May 31st and November 30th of each year. *One* original and *two* carbon copies will be forwarded through Regimental Headquarters so as to reach this office within fifteen days after the end of the period; one carbon copy will be retained.

b. In cases where accounting officers have received any balances of State funds from their predecessors in office, either direct or through The Adjutant General, or from The Adjutant General in settlement by sureties on bonds of delinquent accounting officers, the same will be taken up, together with all monies received from the State, on the debit side of the financial report stating clearly the amount and when and from what source received.

c. Accountable officers (custodians) will check each voucher and financial report before forwarding to this office. They will be responsible that sufficient copies of bills, invoices and itemized statements are attached and that the vouchers contain sufficient information to enable proper audit.

6. *Unexpendable property.*

a. Articles purchased from State funds and not expendable in character, will be charged to State property account of the organization in The Adjutant General's office and the accounting officer so advised.

b. In cases where State property has been worn out through fair wear and tear in the military service, accountable officers will request permission, through channels, from The Adjutant General to drop same from State property account. The request indicating the date of purchase, specific number, and description of each item, will reach this office in duplicate, the first indorsement will be made by the battalion or regimental commander who ordinarily inspects the council book of the organization. Upon receipt of this information, The Adjutant General will give the request consideration and advise the accountable officer of his decision.

7. *Armory Rent.*

a. Expenditures from Annual Allowance funds for Armory Rent, in cases where the rent paid exceeds the Armory Rent Allowance from the State, will only be approved when permission has been specifically given by The Adjutant General, and when so given the correspondence will be filed with the voucher, and in each instance the voucher will show period for which Armory Rent is paid.

b. Armory Rent Allowance can be used in payment of Armory Rent only and for no other purpose. Leases for Armories may include in the rent of Armory, heat and light, and where such items are included they may be paid from Armory Rent Allowance. Vouchers covering payment of Armory Rent must show period for which payment is made. One original copy of the Financial report of Armory Rent and one original copy of supporting voucher will be furnished to The Adjutant General's office; one copy will be retained. This report will be made annually for the year ending May 31st.

8. Except where otherwise prescribed in this section the administration and accounting for State funds will be as prescribed in Section I of this order.

SECTION III. NECESSARY MILITARY EXPENSES OF HEADQUARTERS.

1. Section 6 of an Act of Assembly approved May 16, 1923, authorizes the payment of the necessary Military expenses of headquarters as follows:

Section 6. That section thirty-eight of said act is hereby amended to read as follows:

Necessary Expenses of Headquarters

Section 38. The necessary military expenses of general, division, brigade, regimental, and separate battalion headquarters, including clerk hire and other actual outlays shall be paid by The Adjutant General in the usual manner, on the usual lawful vouchers to that effect, duly sworn to or affirmed to by the commanding officer or the officer charged with the payment of the same, such expenses in no event to exceed four thousand dollars (\$4,000) per annum for

the division, five hundred (\$500) dollars for each brigade headquarters, fifteen hundred dollars (\$1,500) for each regimental headquarters, five hundred dollars (\$500) for each battalion headquarters and headquarters of trains.

2. On and after June 1st, 1932, the expenses provided for in paragraph I above will be paid from this office. Original itemized bills in triplicate attached to Form BB 251 b, also in triplicate, certified to by the Commanding General or Officer will be forwarded direct to The Adjutant General. A fourth copy of the form will be retained with the council book as a record of the bill having been forwarded for payment. Letters of transmittal will not be required.

The State fund account in the council book will be opened on June 1st by entering the amount of money authorized for the respective headquarters in the first column in the council book. As bills are approved and forwarded for payment they will be recorded in the second column. A balance will be struck at the end of the month, or when desired, so that the status of this account may be learned quickly at any time. Other funds will be recorded in the third and fourth columns of the council book conforming generally to the instructions to companies for accounting for these funds. The instructions contained in the other sections of this order will govern the preparation of these accounts in so far as they are applicable.

3. The funds authorized in this section are not cumulative. They will be administered by the commanding general or the commanding officer of the headquarters, omitting the council prescribed and similar organizations.

4. The provisions of this section apply to each regimental, brigade, and division headquarters and to the Division Aviation, Trains and Special Troops. Final accounting for funds now in the hands of these headquarters will be made as of May 31, 1932, after paying all outstanding bills and the balance on hand will be returned to this office with the financial report.

SECTION IV. OTHER FUNDS.

1. Other funds will consist of the gross amounts of money received from all sources, other than the State of Pennsylvania. The ordinary sources of such funds are listed below.

- a. Voluntary contributions. All monies contributed by members of the company or detachment for the benefit of the organization such as dues and mess assessment.
- b. All monies appropriated to the organization by county or city.
- c. Interest on bank deposits of other funds.
- d. Post Exchange Dividends, home station or camp.
- e. Board paid by other than assigned or attached enlisted men who mess with the organization in the field.
- f. Resale of property which has been purchased from these funds.
- g. Gifts from individuals or associations.
- h. Revenue from fairs, dances, horseshows, etc.

2. The purpose of other funds is to supplement the activities of supply arms and services in contributing to the comfort, pleasure, contentment, and the mental and physical improvement of the enlisted men of the organization to which the fund pertains. These funds will be disbursed solely for the benefit of the enlisted men.

3. A single copy, preferably the original bill will be used as the voucher for expenditures from other funds. A letter or improvised voucher will be used for receipts. These vouchers will be numbered serially beginning with No. 1 on each January 1st and the number in each case will be preceded by a letter O to distinguish them from vouchers for State funds. Unexpended property purchased from these funds may be dropped from the records on the certificate of the company commander when it is approved by the battalion or regimental commander.

SECTION V. INDEBTEDNESS OF ORGANIZATIONS AND INDIVIDUALS.

1. All bills contracted for or in the name of any organization, in the manner prescribed by custom and regulations, as authorized by this order will be paid for by the organization regardless of change in command or in the officer personnel. It is incumbent upon battalion and regimental commanders to prevent organizations from incurring obligations that can not be met during the current month.

2. "If an officer or soldier by his conduct incurring private indebtedness or by his attitude toward it or his creditors thereafter reflects discredit upon the service to which he belongs, he will be brought to trial for his misconduct. He should not be brought to trial unless, in the opinion of the military authorities, the facts and law are undisputed and there appears to be no legal or equitable counterclaim or set off that may be urged by the officers and soldiers for failure to pay disputed private indebtedness or claims, that is, where there appears to be a genuine dispute as to the facts or the law," (Paragraph 152 b, Manual for Courts Martial 1928).

3. Officers on the Supernumerary list and the National Guard Reserve are subject to military law as well as active officers. Officers will be required to pay personally such organization debts as they have contracted without authority.

By order of the Governor :

Selection of Enlisted Men of National Guard for Appointment to United States Military Academy	I
Eligibility for Appointment	II
Method of Selection	III
Scope of Examination	IV
Form of Application	V
Quarters	VI
Transportation	VII

I. Under the regulations for the selection of enlisted men of the National Guard for appointment to the United States Military Academy, and pursuant to authority contained in letter of the Adjutant General, War Department, dated August 18, 1932, (AG 351.11 West Point), there has been allotted to the Governor of Pennsylvania the selection of five candidates from the enlisted men of the Pennsylvania National Guard.

II. To be eligible for appointment from the National Guard the applicant must be an enlisted man of a unit of the Pennsylvania National Guard recognized by the Federal Government. He must, on the date of admission, July 1, 1933, have served as an enlisted man not less than one year, must be between the ages of nineteen and twenty-two years, and must be not less than five feet four inches in height. The age and service requirements are statutory, and cannot be waived or modified, but it is not essential that the service be continuous, so that former service in the National Guard may be counted in determining the applicant's eligibility.

III. Selection will be made according to the order of merit established in a preliminary examination to be conducted for The Adjutant General by the Superintendent of Public Instruction of the Commonwealth of Pennsylvania, which will be held in the House of Representatives, State Capitol, Harrisburg, Pa., on November 14 and 15, 1932, at 9:00 o'clock A. M., (Eastern Standard Time).

There is no limitation to the number who may compete in the preliminary examination, and it is suggested this matter be invited to the attention of all concerned, so that every enlisted man who is eligible as to age, educational qualifications, and length of service may be afforded an opportunity to take the examination. This order will be read to each unit at the first armory drill after receipt of same, and a copy will be posted on all bulletin boards.

The candidates so selected will be authorized by the War Department to report for the regular entrance examination, which is scheduled to be held beginning on March 7, 1933, and the appointments will be available on July 1, 1933.

IV. The preliminary examination will include subjects, as follows:

- (a) Algebra, to include quadratic equations.
- (b) Plane Geometry.
- (c) English Grammar, Composition and Literature.
- (d) History:

Part 1. History of the United States.

Part 2. General History.

- (e) Current Events.

V. Enlisted men who desire to compete in the preliminary examination will forward their applications, approved by their commanding officers, so as to reach The Adjutant General, State Capitol, Harrisburg, Pa., not later than November 1, 1932, stating therein the following:

- (a) Name in full (first, middle, last).
- (b) Grade.
- (c) Designation of organization.
- (d) Date of current enlistment.
- (e) Prior service (if none, so state).
- (f) Date of birth.

- (g) Permanent post office address.
- (h) Educational qualifications.

Unless the applicant has a high school education, or its equivalent, the application will not be considered.

Each application **MUST BE** accompanied by a birth certificate issued by a Registrar of Vital Statistics.

Each application **MUST BE** accompanied by a physical examination, made by a Medical Corps Officer of the National Guard, or a reputable civilian physician recorded on M. B. Form No. 63, Report of Physical Examination of Officers and Warrant Officers, which will be furnished by The Adjutant General upon request.

Commanding officers must approve all applications, the approval to include a statement as to the moral character and military conduct of the applicant, and forward same direct to this office.

Each year one or two who qualified mentally in the regular entrance examination, were found to be physically disqualified. Such disqualification only deprives a physically qualified applicant of an opportunity to take the regular entrance examination, and Medical Corps officers **WILL BE** extremely careful in examining applicants, and **WILL NOT** certify any applicant as physically qualified who does not conform to the standards specified in N. G. R. No. 28.

VI. Quarters will be furnished all applicants by The Adjutant General at the State Arsenal, 18th and Herr Streets, Harrisburg, Pa., and will be available November 13 and 14, 1932. Colonel *Leo A. Luttringer*, Q. M. C., will be in charge and make all assignments. Each applicant must furnish his own towels and toilet articles.

VII. State transportation request will be furnished by The Adjutant General to all applicants for the necessary travel from home stations to Harrisburg, Pa., and return. All other expenses must be borne by the applicants. These expenses may not be paid from Annual Allowance Funds.

By order of the Governor:

I. The Federal Government announces the issue of a decoration known as the *SILVER STAR* to those persons now authorized to wear citation stars. Upon the obverse of the pendant is superimposed a Silver Star three-sixteenth of an inch in diameter.

II. Members of the Pennsylvania National Guard who now hold the Silver Star Citation will apply for the New Decoration through channels. Awards, when made, will be noted in service and other similar records, in efficiency records, and in historical records of organizations.

III. Citations for *GALLANTRY IN ACTION* published in orders by a *BRIGADE OR HIGHER HEADQUARTERS* will be the authority for issue of this decoration. The language used in the citation order must state that it is for gallantry or be such that gallantry in action can be inferred. In case an individual was cited in more than one order for the same act of gallantry only one Silver Star is authorized; in such case the decoration will be awarded by authority of the highest headquarters publishing the citation. Where the individual has more than one citation the bronze oakleaf cluster will be awarded for the additional citations.

IV. The decoration will not be awarded posthumously nor for meritorious service or conduct not performed in action against an enemy. The citation of a Military unit does not entitle the individual members of that unit to wear the Silver Star. The decoration is not awarded for citations accompanying other decorations.

V. Application will be made on a War Department special form which will be supplied on request made direct to this office.

By order of the Governor:

DAVID J. DAVIS,
